

Parent & Players Handbook 2024-2025

Welcome

Welcome to the Shepparton Gators VJBL program. This booklet is designed to provide players & parents of players selected with an overview of the program. The Shepparton Gators VJBL teams are representative teams of the Greater Shepparton Basketball Association (GSBA).

The Shepparton Gators VJBL teams field both male and female teams that play in the Victorian Junior Basketball League (VJBL). This is the elite level of basketball, featuring the best and/or promising players a development opportunity in the state of Victoria.

This year, the GSBA is re-entering the arena and providing opportunities for players to participate in the Victorian Junior Basketball League (VJBL)

Shepparton Gators VJBL players will be given opportunities to develop their skills and be the best they can be on the court, while developing personal, social and team values including:

- commitment & perseverance
- personal responsibilities within the group
- teamwork and sportsmanship
- respecting the rules & others
- learning to compete
- following instructions

The purpose of the Shepparton Gators VJBL competition is to develop teams, coaches, and players to their fullest potential. This competition is for those who are committed to success and willing to put in the hard work.

Once selected to play VJBL basketball for Shepparton Gators, a high level of commitment and dedication is expected from both players and their parents.

What is VJBL?

The Victorian Junior Basketball League (VJBL) incorporates competitions conducted state-wide and provides the highest level of junior competition in Victoria. The VJBL boasts 1248 representative teams for 54 associations across Victoria, with over 13,000 participants competing inside 80 plus venues on a Friday night.

The VJBL Competition comes under the governing body of Basketball Victoria. The League was designed to give keen junior basketballers an opportunity to participate at a more competitive level than their local domestic competitions. The VJBL allows teams to compete against composite teams from other Associations.

VJBL Travel Rules

A 210km circumference is drawn from the home court (Shepparton Stadium), so if the club is fixtured to play a team who is deemed to be outside the 210km range, then we must play them at a neutral venue (i.e. Wallan, Craigieburn, Keilor, Montmorency, etc.). If the visiting team resides within this 210km range, we play at either their home court or ours.

Length of Season

Games within the VJBL structure are usually played for about **40 weeks of the year** commencing approximately early-mid November and going through to September the following year.

The competition is split into 3 Phases:

- Grading Phase One - runs from November to Mid-December and is used for team tryouts and practice games.
- Grading Phase Two - runs from the start of February
- Championship Season - runs from the end of February to September.

Player placement will be determined based upon their age, ability and the positional (i.e. Guard, Forward, Centre) needs of the team, in conjunction with their age group requirements. Coaches and the coaching team will be responsible for determining their selection into the program and ongoing playing time with the objective to give each player ample opportunity to enjoy basketball and develop the team and individual skills.

Team grading is set for the championship season by performances during the grading phase. Initial grading is nominated by the VJBL. Teams can either retain their grade or be moved to another grade depending on their performances.

Game Nights

- Games are played on a Friday night right across Melbourne and some country associations (refer to VJBL Travel Rules)
- Venue locations will vary from week to week with games rotating on a home and away basis.
- All players are expected to arrive 30 minutes prior to any scheduled game time. When you are playing away, we highly recommend you allow plenty of time for any traffic to ensure you're at the venue on time.
- All players must be attired in the Shepparton Gators uniform as per requirements detailed withing the Uniform section. At no times should VJBL players be encouraged to wear any other "branded" type merchandise or apparel.

Game Times

With the number of teams involved in VJBL, there are no allowances for changing of game times, the younger teams preferred to play early, the older teams preferred to play later – 7.40, 8.40 and 9.40pm times slots are what we could expect from our area. There is no allowance for changing the night because of Junior Country Champs (JCC) or a tournament the next day. Other associations are also still playing in tournaments, and all are going to JCC events after playing VJBL on a Friday night.

Players & Parent Commitment

With selection to the Shepparton Gators VJBL program, parents and players should recognise that participation is a **major commitment of time, effort, and money**, and that there is **no guarantee of significant court time**. Commitment to the program is therefore paramount, and families/ players are urged to consider this prior to committing to a team.

Players

The level of commitment required from players varies by age group, but some expectations are common. Players must be available for the entire VJBL calendar playing period as scheduled by the VJBL. Additionally, they must attend all compulsory training sessions, with at least one 1.5 hour session per week (dependant on court availability).

As part of the Shepparton Gators VJBL program at all levels, players are expected to prioritise basketball as their main sport during the representative season. All players must be playing at their Junior representative level before considered Shepparton Gators VJBL and must play within their own association and do so throughout the season. If an athlete trialled and was not selected for their junior representative association team they may trial for Shepparton Gators VJBL.

Players that are selected for Junior Representative teams and **decline** a position at their association must submit a request for special consideration to trial for Shepparton Gators VJBL to the Director of Coaching.

In addition to this, Shepparton Gators representative players are required to participate in all training sessions and tournaments for the junior representative league. Players are encouraged to consider their personal commitments, playing expenses and travelling expenses before trailing and being selected for a Shepparton Gators VJBL team.

For example, while playing in an extended Shepparton Gators VJBL season, players are required to participate in their local domestic summer and winter competition and junior representative squad programs such as Shepparton Gators Junior Representative, which run concurrently with Shepparton Gators VJBL competition, ensuring they play in at least 50% of the fixture games.

Some concessions may be made for academic or work-related commitments; however, participation in other sports may not be an acceptable reason for missing training or games as required by the coach or these guidelines. All requests for exemptions must be submitted in writing to the Shepparton Gators VJBL committee and Coaching Director for consideration.

Parents

Each parent of a Shepparton Gators VJBL player must ensure their child is available for and attends all compulsory training sessions and games. Parents must also adhere to the Shepparton Gators VJBL Code of Behaviour for parents and understand the Shepparton Gators VJBL Policies and Guidelines.

Multi-Sport Athletes

We encourage multi-sport players at our basketball association, as it can be beneficial to an athlete's short and long term development. Our expectation is that players selected for Shepparton Gators VJBL teams prioritise VJBL games and practice sessions first and foremost.

It will NOT be acceptable for players to miss full sessions every week or the majority of a session every week. On an occasion when another sport clashes with our practice session or game, written correspondence is required to the Coach prior to the event, to determine the effect this may have on the team.

At the discretion of the Coach and Director of Coaching continuously missing practice may result in reduced court time and/or deregistration from the program.

Players

Players must be registered and playing in domestic competition and Local Country Representative team to be selected as a player of the Shepparton Gators VJBL team.

To be classified as a "playing member", a player must participated in 75% of scheduled rounds for the respective domestic competition in which they are registered.

Age grouping

Age Group	Age must not turn in 2025	Years born
Under 14	14	2012, 2013
Under 16	16	2010, 2011
Under 18	18	2008, 2009
Under 20	20	2006, 2007

Selections

Try-outs are **compulsory** and are held annually in September at a specified and advertised time. Shepparton Gators VJBL Committee facilitate a VJBL tryout process for players to be selected into our VJBL teams. This process usually involves 2-3 sessions where the players will undertake skills and drills to determine their suitability to VJBL basketball and which team they are suited to at that point in time.

How are players selected?

Players are selected through observations by coaches at 2-3 tryout sessions each season. Coaches will look at individual players skills, strengths, weaknesses, as well as their ability to play in a team. They also need to have a mix of players that can play different positions on the court (guards, forwards, centres) in their team. Coaches may also consider feedback from domestic coaches or Shepparton Junior Gators Representative coaches in previous seasons.

Team Announcements

Team announcement, registration and payment links will be via email.

Coaches select the teams for competition in the VJBL. The Association reserves the right to alter selections and follows the VJBL ruling that players can be moved until Round One of the second phase of grading.

Failure to make payment when the Team Manager processes the payments will result in the player being unable to play until payment is made.

Special Circumstances: Should a player leave the team or unable to attend due to illness, then the fee will be equally divided by the remaining players.

Sponsorship

Players may source a sponsor to fully/partly cover the fees.

If this occurs, parents must pay first and will be reimbursed once the sponsorship fees are received.

Team Pay

Team pay is a payment system that Team Managers use to charge out weekly team sheet fees. You will be required to download the Teampay app.

The Team Manager will provide you with a Team Code. Once you have created your profile on the app, you use the Team Code to find your team.

Each Friday before the game (usually in the morning or early afternoon), the Team Manager will process payments for each player. Please make sure you have enough funds in your nominated

account so that the payments can be processed without delay each week. Should payments fail, then the player will not be able to take the court.

Uniforms

The Shepparton Junior Gators uniforms must be always worn when representing GSBA/Shepparton Gators VJBL.

Playing Uniforms

Shepparton Junior Gators playing uniform is the same throughout our entire junior program. This is the only uniform allowed. The alternative side of the playing singlet will be used should there be a colour clash with the opposing team. All Shepparton Gator players **MUST** wear the correct playing uniform as required by the VJBL when representing the GSBA. **If the correct uniform is not worn, the player will not be able to play.**

Correct playing uniform means:

- Shepparton Junior Gators playing singlet + shorts
- Shepparton Junior Gators hoodie
- Shepparton Junior Gators warmup top

Training Uniform

Shepparton Junior Gators training uniform is compulsory for all training sessions. This is the only uniform allowed. **If players are out of uniform, they may be asked to sit out of practice.**

Correct training uniform means:

- Shepparton Junior Gators reversible singlet

Additional club merchandise including polo's & bags are also available but not compulsory.

Tech Fouls

If a player receives a behavioural Tech foul in a VJBL game, they will automatically be suspended for the next VJBL game. Once GSBA are advised by VJBL of the behavioural tech foul, our Chairperson Shepparton Gators VJBL will contact players and parents. Players are expected to attend trainings and games even though they are suspended. Game payment is still expected by the suspended player. This rule applies to VJBL finals.

Training

Basketball is more than just one game on a Friday night; training is an integral part of developing the player and team.

Training times and locations will be advised by the Coach/Team Manager and attendance at Training is compulsory.

Players are to arrive 15 minutes before their scheduled training session and be mentally prepared for a rigorous and challenging practice session.

Players are required to wear the training uniform. All players should always bring to practice:

- Basketball appropriate footwear
- Drink bottle filled with water
- Ball
- Homework documents

Court Time

The Shepparton Gators VJBL program does not guarantee playing time for any player across any age group. Each player's court time is at the discretion of the coach according to:

- The level of competition
- Team needs
- Strategies and tactics employed by the coach
- The role of the player
- The importance of the game
- Commitment to training and development

Please note that equal court time for all players is not guaranteed. The coach will rotate players based on the game situation and the overall team balance, aiming to achieve the best possible outcome for the team.

Shepparton Gators VJBL will make a selection of 12 players to form a squad, inclusive of two rotating players per scheduled match. Every player is required to qualify during the grading rounds, therefore players will be rotated at the coaches discretion.

If parents have concerns about their child's role on the team, they are encouraged to arrange a suitable time to discuss these with the Coach. **Important:** Parents should not approach the Coach or Assistant Coach about court time issues immediately following a game.

Sport Injuries

Your child will now be playing a minimum of two matches per week (one VJBL & one domestic) and training for around three to four hours per week. This can place stress on young bodies, and injuries can occur during practice or matches. The coaches and coaching panel are well aware of the potential for sports injuries and will place your child's welfare as a priority. If you have concerns regarding your child's health, please discuss them with your coach or team manager.

If your child does sustain an injury and is unable to play and/or train for a period of time, they are **still expected to attend the games and training sessions** to support their team. Although your child will not be training, by attending, they will be exposed to the drills and game plays taught.

It is also highly recommended that you provide a medical certificate outlining your child's injury and how long they will be unable to play/train for. Medical certificates may be needed for players to qualify for finals under VJBL rules should they not have played enough games.

Injured players must attend all games if physically able. When attending games whilst injured, players must:

- sit on the team bench as per normal
- wear casual Shepparton Gators attire (e.g. Shepparton Gators branded hoodies, tracksuit pants or t-shirts)
- must not wear hats, beanies, thongs/crocs or slides etc

Concussion Policy

Shepparton Gators VJBL committee follow the VJBL's official Concussion Policy. A full copy of the policy is available on the Basketball Victoria's website [BV VJBL Concussion Policy](#)

Policy

Any player at risk of concussion should be removed from the game immediately. The player is deemed to be 'at risk' in the following (but not exclusive) scenarios:

1. When a player receives head contact that requires play to be stopped by the Technical Officials, and/or the player requires assistance from the court.

The player is thereby considered to be at risk of concussion and is to be substituted immediately and remain substituted for the remainder of play in that game.

2. Following any suspicion of head contact, or transmission of force to the head, and a player demonstrates or refers to a Team Official any of the following or similar symptoms:
 - Disorientation
 - Balance issues/Stumbling
 - Dizziness or drowsiness
 - Nausea or 'not feeling right'
 - Impairment in vision, to any extent.
 - Headache, or head throbbing/pressure.

The player is thereby considered to be at risk of concussion and substituted immediately and remain substituted for the remainder of play in that game. This policy refers to actions within the game, but further recommends actions to be taken following a suspected concussion.

Responsibilities

Basketball Victoria supports the 'Recognise, Remove, Refer' recommendations as set out in the AIS Concussion and Brain Health Position Statement, February 2023.

Basketball Victoria recommends:

- Team Officials and/or parents have the HeadCheck app available at games and training.
- Should a player have a concussion or suspected concussion that they are assessed medically - even if the symptoms resolve before returning to any physical activity.
- Following a concussion or suspected concussion, the player takes a minimum of 7 days from competitive activity.

All players with concussion or suspected concussion need urgent medical assessment and this is the responsibility of the parent or guardian of the player.

Asthma, EpiPen's and Sport Taping

Players with asthma are required to bring their medication to all training sessions and games. Prior to each game, the medication must be handed to the Team Manager to ensure it is easily accessible if needed. The same applies to players who require EpiPen's.

It is the shared responsibility of both the player and the Team Manager to ensure that the medication is returned to the player after the game.

Sport taping is the responsibility of each individual player. Team Managers will not provide tape or be responsible for taping players.

Team Mangers

The Team Manager will be chosen by the coach once the composition of the team has been determined and approved by the Shepparton Gators VJBL Committee. All Team Managers are required to have a current Working with Children Check (Volunteer).

The role of Team Manager is integral to the success of the team. They are responsible for:

- Ensuring all communication from the club, the coaches or other sources is sent on to each player and that all families are kept abreast of all information.
- Ensure that all players are listed on the score sheet with the correct playing number.
- Player requirements during matches and are to sit on the bench with players.
- Process weekly team fees
- Develop and communicate scoring rosters.
- Be the first point of contact for any information to do with your team or the club.

Each Team Manager should take the following items to every game:

- Spare singlet
- List of player details – name, player number, date of birth, address, phone, parent names
- Scoring Roster
- List of venues
- First aid kit

The Team Manager is there to assist in any way possible to free the Coach up to be able to do what they do best – COACH!

If you wish to discuss an issue with your Coach, you should make a time to speak with him/her at a nonstressful time, **NOT DIRECTLY BEFORE OR AFTER A GAME.**

Fixtures, Results, Ladders

The VJBL fixtures, ladders and results of all age groups and competitions can be found via the [PlayHQ platform](#) or MyHoops app.

Communications

All communications about upcoming events and programs will be communicated via Stack Team App. Your child will be placed into their team group upon accepting registration. The email used to officially register your child into the program will be used when allocating their team group on Team App. No other social media platform is to be used by members for team communication.

Scoring

Parents are expected to score, as scorers are not provided by the VJBL. The team manager will draw up a scoring roster. Two scorers should be rostered on to score each game with the opponents to also provide a scorer.

Referees

The referees are part of the game, and while we may not like their decisions at times, verbal or other abuse of referees is unacceptable behaviour and sets a bad example to the children. A copy of Basketball Victoria's Codes of Conduct is available on the Basketball Victoria Website.

We encourage every player, parent and Team Manager to read these. Behavioural Tech Foul rules are also in place to discourage players, coaching and bench staff from negative behaviour.

Spectator Behaviour

At no point before, during or after a game are spectators permitted to approach a referee. All spectators must abide by the Basketball Victoria (BV) Spectator Code of Conduct. If asked to leave the venue by a venue official, spectator/s must do so immediately, or reports and loss of games may be applied.

Contacting VJBL

Under no circumstances are Coaches, Assistant Coaches, Team Managers, parents, or players to contact the VJBL office. All communications with the VJBL **MUST** go through the Association Delegate – GSBA Operations Manager. This is a mandated rule put in place by VJBL. For every instance that someone other than the Club Delegate contacts VJBL, the club receives a fine.

Issues and Concerns

If you have any concerns, do not hesitate to speak to your team manager/coach, who will be able to guide you to the person you need to contact.

For any coaching issues, please organise a time to meet with your coach after training. **Please do not approach the Coach with any issues on Friday night.**

If you don't feel you have received a satisfactory answer your escalation path is:

1. DOC coach
