**Creating Positive experiences that bring our people together through sport!**

## No Zone Policy – U10-U14 Games

At no stage is a 'Zone' defence permitted during any age group Under 14 or below during the tournament. Please note that the tournament adopts VJBL's interpretation of a zone, this is the only 'No Zone Rule' to be applied.

### *Interpretation*

Coaches are not permitted to instruct a team to play zone and they must play 'Man to Man' defence using correct 'Man to Man' defensive principles.

If a coach hasn't instructed their team to play a zone, but their team is playing a zone outside of their instructions, it is the coach's responsibility to ensure their team play 'Man to Man' defence. No excuses will be tolerated for failure to do so, as the coach has the power to remove offending players from the court if they are not playing correct 'Man to Man' defence.

The Tournament Director will determine violations of the 'No Zone Rule' by investigating one or more of the below points:

- One or more players were not in acceptable 'Man to Man' defensive position in relation to the player they are guarding and the player with the ball
- A cutter moved all the way through the key and was not defended using acceptable 'Man to Man' defensive techniques
- Following a trapping or help and recover situation the team made no attempt to reestablish correct 'Man to Man' defensive positioning
- The team zone pressed and did not assume 'Man to Man' defensive positioning once the ball had been advanced into the half court

### *Complaints and Penalties Injuries and incidents*

All injuries and incidents at stadiums can be lodged at this link

<https://www.cognitoforms.com/GreaterSheppartonBasketballAssociationGSBA/IncidentReportForm>

A complaint may be made by the Opposition coach, game referees or referee supervisor through this link:

<https://www.cognitoforms.com/GreaterSheppartonBasketballAssociationGSBA/ComplaintForm>

The tournament director may investigate any team suspected of playing zone, by viewing a game, viewing video footage obtained from the game or reviewing the written complaint. At no stage are the coach, players, or spectators to approach the opposition team, referees or the referee coaches to discuss the alleged incident during the game or after the game. This will avoid any unnecessary conflict between the two teams. Offenders may be put on report.

To make a complaint by sending in a No Zone Report form available from any stadium's front desk and return it with video and written evidence within 90 minutes of the game finishing.

The video evidence must show the entirety of the defensive possession and we recommend at least three clips be sent. In exceptional circumstances we will accept less clips if a blatant breach of the rule has been made.

If a team is found by the Tournament Director to have been playing a zone the team will forfeit the game. Discretion may be utilized by the Tournament Director and an independent party in the situation where a player 'forgets' and the coach are actively coaching them out of this.

*The rule will not apply when:*

- If a team has 4 players on the court, they may play a zone

## First Aid

First Aid will not be provided at any of the venues (except for ice packs and band aids). All teams are expected to have their own basic first aid kits and attend to basic injuries themselves.

## Social Media Code of Conduct

*(copied from Basketball Victoria)*

### *1. Social media can be fun, helpful and dangerous*

Comments, notes and photos posted on social media sites such as Facebook, Twitter and on-line forums are usually constructive and positive. But negative comments and images, bullying, criticism and sexist remarks can be dangerous and harmful to people's wellbeing and reputation and the image of the sport.

### *2. Do not use social media to be critical of teammates, coaches, officials, administrators, volunteers or spectators*

Any comment you make on social media sites has the potential to be seen by millions of people. That is great if comments are positive. But it can be extremely negative and harmful if critical of people. Before you post a comment on social media ask yourself this: Would I want millions of people to read something negative about me?

### *3. Always assume the person you are talking/writing about will see what has been said/written*

Just because an online chat is between two people does not mean it remains private and nobody else can see it. Social media is accessible to everyone. Even if the person you are discussing does not see it, somebody else may. The result is you rather than the person you are ridiculing will be seen in a negative light.

### *4. Use social media as a positive outlet to promote players, teammates, teams, clubs and others involved in basketball*

Posting results and acknowledging individual and team performances on social media makes many people aware of team and individual achievements. That can have a positive effect for many people and should be used, encouraged and embraced wherever and whenever possible.

### *5. Remember to show respect*

When using social media, show the same respect and regard for people that you would show and are expected to show when playing, officiating or attending a basketball game.

**Creating Positive experiences that bring our people together through sport!**

#### 6. *When in doubt leave it out*

If you are unsure if what you are posting on social media is appropriate then it is best not to post it. When in doubt leave it out.

#### 7. *Do not tolerate or condone poor social media behaviour or actions*

If you are aware of or observe poor social media behaviour or actions, do not accept it. There is no place for it in basketball and it will not be condoned. You should remind people of their responsibilities when using social media and warn that action can be taken against them. In the instance of minors breaching the code of conduct, alert their parents to the situation. If you believe the breach is serious, report it to team, club or association officials.

#### **8. Be aware that your actions on social media may have serious consequences**

Negative comments and images, bullying, criticism and sexist remarks do not only impact negatively on the people they are about. If you are found to have acted improperly on social media regarding a basketball related matter, you are liable to disciplinary proceedings and may be required to face a tribunal hearing to explain your actions. A suspension from basketball could be imposed.

#### 9. *Consider social media to be your personal brand*

Your Internet presence fuels any perception of your personal brand - whether you like it or not. Does your social media identity match your real identity? Be mindful of the content of photos, status updates, Tweets. Are they truly reflective of who you are and how you want people to see you?

- Awarding an unmerited free throw/s
- Failure to award a merited free throw/s
- Erroneous awarding or cancelling of a point/s
- Permitting the wrong player to attempt a free throw/s

#### *General Procedure*

To be correctable, the above-mentioned errors must be recognized by the officials, Referee Supervisor, or the score table officials before the ball becomes live following the first dead ball after the game clock has started following the error. An official may stop the game immediately upon recognition of a correctable error if neither team is placed at a disadvantage.

Any fouls committed, points scored time used additional activity which may have occurred after the error has and before its recognition, shall not be nullified.
